Following its March 2014 announcement, Buckner Senior Living staff members have been busy working with prospective Ventana by Buckner residents, including Priority Club members who have the opportunity to reserve their apartment and provide input on its design and amenities. A fully staffed Information Center featuring a 3-D model, video virtual tour, full renderings, and site and floor plans is now open in One Lincoln Park Building, Suite 725 at 8401 North Central Expressway in Dallas.
